**A WARNING [EN]**

For climbing and mountaineering only. Climbing and mountaineering are dangerous. Understand and accept the risks involved before participating. You are responsible for your own safety and decisions. Before you climb or go to the mountains, read all the instructions and direct contact with an experienced and responsible person. Before using this product, read and understand all instructions and warnings that it contains. Qualify yourself in climbing and mountaineering if you are uncertain about how to use this product. Do not modify this product in any way, have fun and follow these warnings can result in severe injury or death!

**KEY:**

- ✖ Risk of serious injury or death
- ✖ Risk of accident or injury
- ✖ Examination required

**INSTRUCTIONS FOR USE**

This equipment uses and some common misuse for climbing and mountaineering are depicted in the illustrations. Other possible misuses exist. Correct equipment use and the use of redundant systems will reduce some of the risks associated with climbing. If you lack experience, use this equipment under proper supervision. Please consider how a rescue might be best carried out in case you or others are in trouble.

This Type I harness is intended to provide protection against falls while climbing or mountaineering. It is intended for a conscious body in a sitting position.
